Hi Zach,

Public Health Madison & Dane County (PHMDC) would like to share the draft orders with phase limits by business sector with you today as a way of partnering in advance of final orders. Since it is still in draft form, I will be presenting, versus sending the document. I am hoping to answer any of your questions, and looking for insight on how PHMDC can best support the business community moving forward. I am inviting Leslie Orrantia to be at this meeting as well. Please let me know your availability and if you have Skype capabilities.

*This is a rapidly evolving situation; please check [our website](#) for the latest information and recommendations.*
